A Journey with Hearing loss

2009

Building Communication Bridges Conference

Join us & learn about current hearing loss technology!

Program

Saturday, October 10, 2009

- 8:30 – 9:10** Reception and Welcome
- 9:10 – 10:45** “Ask the Audiology Expert” on Assistive Listening Devices – Our expert panel will discuss the latest technology available for hearing loss. They will be presenting some of the newest technology and they will talk about technology that can enhance your existing devices. This educational seminar is designed to offer unbiased opinions on various products.
- 10:45 – 11:00** Break
- 11:00 – 12:30** “Advocacy in Action” Our panel will talk about putting advocacy into action, from individual rights to working with the police department to update their policies regarding individuals who have hearing loss. The experiences of the panel will offer ideas for working on advocacy.
- 12:30 – 1:00** Interact with vendors, network with others, and meet the experts in person
